

PUBLIC HEALTH HOTEL GUEST INFORMATION

PLEASE READ CAREFULLY

Guests and staff health and safety is always our number one priority. Our property has implemented in accordance with EU and local government guidelines on the management of Coronavirus appropriate procedures to safeguard its guests and staff health and safety. It is, therefore, essential that all guests strictly follow measures and guidance given by the management to prevent infection and virus transmission to a maximum.

In this regard, while staying at Smaragdi Hotel you must respect any and all related healthcare measures (indicatively physical social distancing, hand washing, use of face masks etc.).

You must stay in your room if you experience at any time during your stay at the Hotel minor symptoms such as cough, headache, mild fever, and get in touch with us immediately.

Upon departure, you are explicitly requested to immediately notify us if you develop symptoms associated with COVID-19, or obtain a positive test result for COVID-19, within 14 days following departure.

The undersigned hereby (a) declare and confirm that we have been properly informed that the property satisfies the provisions of the law regarding the special healthcare protocols (as provided under the Joint Ministerial Decision 1881/29.5.2020 regarding the special healthcare protocols that will apply to the touristic enterprises in light of the measures against COVID-19) and (b) acknowledge that Smaragdi Hotel shall not be held liable (for the restoration of damage or otherwise) as long as the measures provided under said healthcare protocols are complied with.

We acknowledge that our personal data and information will need to be used by the management, as prescribed under the abovementioned protocols (and particularly in cases of potential or confirmed infections) and expressly agreed thereon.

We further confirm that we have read and understood and agree to all the above and all the information given and we have personally informed all parties in our booking who agree with the information given and we will all comply with any other related requirements, measures and protocols that have been notified to us by the Property.
